

## **MEDEXPRESS PARTNERSHIP FAST FORWARDS EXPANSION PLAN**

*Premier urgent care practice on track for rapid expansion*

Bryn Mawr, PA: June 29, 2007 --- MT Consulting, business brokers specializing in healthcare, is pleased to announce the partnership of MedExpress Urgent Care and Denver-based Excellere Partners. MT Consulting, financial advisor to MedExpress, initiated, structured, and negotiated the agreement.

Under the skillful leadership of Dr. Frank Alderman, President & CEO, and co-founders Drs. Kevin Blankenship, J. Christian McCarter and Bryan Stuchell, MedExpress has experienced tremendous growth and industry recognition in the 6 short years since the company's founding. The partnership enables the company to maintain its momentum in advancing the vision of delivering expert urgent medical care nationwide – with unsurpassed customer service.

MedExpress Urgent Care is a full-service network of walk-in clinics offering medical treatment to all ages for illness and injury. Staffed 7 days per week from "9 to 9" with a team of medical professionals, the company addresses the public's "...*growing need and demand for convenient access to unscheduled medical care.*" Their customer focused approach features spacious, comfortable, well-staffed offices to ensure *Great Care. Fast.*<sup>®</sup>

The company was founded in 2001 by four physicians with University of West Virginia medical degrees and more than 20 years of combined experience in hospital emergency departments. MedExpress is headquartered in Morgantown, West Virginia with six urgent care centers located in West Virginia and western Pennsylvania.

*About Excellere Partners: Private equity firm Excellere Partners is known for effective partnerships with middle-market company entrepreneurs and management teams. They typically work with companies within an industry niche as well as business opportunities that develop into industry leading companies. To that end, Excellere recognized MedExpress' value proposition and strategic potential in the healthcare industry.*

*About MT Consulting: Established in suburban Philadelphia in 1992, MT Consulting provides business broker and development services to businesses with sales of \$5-\$100M. The firm specializes in multi-site healthcare businesses and has extensive experience and proven success in the physical therapy and orthotic & prosthetic healthcare segments.*
